

14 February 2020

Dear Valued Client,

I am honoured to invite you to the 14<sup>th</sup> Biennial Southern African Spinal Cord Association (SASCA) Congress to be held from 29-31 October 2020 at the Protea Hotel Technopark in Stellenbosch.

We need to stand up for Spinal Cord care, as our theme states: taking it into the new decade. An interesting case presentation is equally as valuable as original research or retrospective reviews. Spinal care in South Africa is under pressure. I hope that by supporting the conference you will gain insight, knowledge, and enjoy discussions with many like-minded colleagues, thereby improving the service we deliver.

SASCA has invited Dr Marcalee Alexander(USA), Dr Johanna Wangdell (Sweden) and Dr Nazirah Hasnan (Malaysia) as invited faculty members, all of whom will bring a wide variety of topics to discuss and present.

The selected conference venue at Protea Hotel, Techno Park can comfortably accommodate up to 200 conference delegates. The exhibition area will be hosted in the Protea Hotel, Techno Park Omega Room where all lunches and tea will be served in order to maximize exposure to conference delegates. Exhibition stands will be allocated on a first come first serve basis and can only be confirmed upon receipt of exhibition fees. Please reserve your stand soonest in order to avoid disappointment.

Kindly complete the form of intent send to you in a separate email and return to Hanri Lennox on [hlennox@consultus.co.za](mailto:hlennox@consultus.co.za) soonest.

We look forward welcoming you at the Conference!

Kind Regards,

Hanri Lennox
